ABOUT US

PRAHARSH
— INFRASTRUCTURE —

Praharsh Infrastructure is a fast-growing infrastructure, electrical, solar energy, and government supply & services company based in Lucknow, Uttar Pradesh.

The company specializes in the execution of government infrastructure projects, illumination, electrical installations, road infrastructure projects, solar energy solutions, healthcare supplies, sanitation products, and government civil development works like roads, highways, and buildings.

With strong technical expertise and a commitment to quality, Praharsh Infrastructure has successfully executed several government-approved projects across Uttar Pradesh through UPSIC, DRDA, Nagar Palika/Panchayats, UPRNN, UP Tourism, Panchayati Raj, UP Global Investors Summit, UP 100, PWD (Public Works Department), Information and Public Relations Department, DIPR (Department of Information and Public Relations), UPID (Uttar Pradesh Information Department), ODOP (ONE DISTRICT ONE PRODUCT), and various government departments.

We focus on delivering innovative, reliable, cost-effective, and sustainable infrastructure solutions that contribute toward smart urban and rural development.
